RE: Lakeview Beck Street Quarry NOI M/035/020

Dear Doug:

Enclosed are two revised pages (page 21 and page 29) for the final Lakeview Rock Products, Inc. (Lakeview) Beck Street Quarry Notice of Intention (NOI) to Commence Large Mining Operations. These pages were revised to reflect our conversation Friday February 24<sup>th</sup>, regarding the planned final highwall slope and the year of the next required slope stability analysis, which is now specified as 2009 in the NOI. These pages are provided to replace those in the Division's February 2006 binder for the Final NOI. Thank you for your assistance.

Sincerely,

Linda J. Matthews
